3. Excepting adequate protection payments authorized to be paid by LBR 3015(c), and only to the extent funds are available, the Trustee shall make disbursements on a monthly basis to the holders of allowed claims as set forth in the terms of the Plan and as modified by this Order; provided, however, that the Trustee shall not be required to pay any dividend to any claimant in an amount less than \$15.00 and any dividends deferred under this provision shall be paid when the accumulation of payments due to such claimant shall exceed the sum of \$15.00. Upon the filing of any plan modification motion, however, the Trustee is authorized to suspend disbursements to the holders of allowed claims pending the resolution of that motion in order to determine the effect of the modification upon future disbursements.
